Dear Community Partner,

You are not alone, we stand together!

This is our motto at Pennsylvania Outdoor Veterans-remind our veterans that they don't stand alone and we asking **you to stand with them.**

Our mission at Pennsylvania Outdoor Veterans-501(c)(3) nonprofit organization is to reconnect veterans with the outdoors along with educating and supporting their families in the huge transition of adjusting to stresses of everyday life after war.

Our 2018 year is looking huge with many outstanding programs including fishing, hunting and camping. We will also be hosting family events for spouses and children. With your help we can make this happen. Your monetary donation could send Gold Star children to a camp where they can have a fun-filled stress free weekend or send veterans on a hunt allowing them the opportunity to connect with nature and other veterans to get the very much needed therapy these surroundings can bring.

Post Traumatic Stress (PTS), Traumatic Brain Injury (TBI) and suicide are alerting issues among our veterans, with over 300 veterans in Pennsylvania annually committing suicide.

The veterans have given some much to us, we hope you will consider what you can give back to them. Our goal is to **at least \$200** from each community partner. Thank you for heartfelt donation to our men and woman for their service.

For your convenience, please use the self-addressed envelope.

With Deep Appreciation,

Pennsylvania Outdoor Veterans
Board of Directors and Volunteers

About Us

In 2015, Pennsylvania Outdoor Veterans was created and founded by combat veteran Ryan Bowman in response to the overwhelming rate of suicide among veterans. We encompass all 67 counties in the Commonwealth of Pennsylvania and over 900,000 veterans and families. We are a nonprofit organization with an all volunteers and no paid employees.

Since our inception, we have grown over the last 3 years with acquiring two (2) campers, outfitter tent and other equipment. We are a member of the Lehigh Valley Chamber of Commerce, Pennsylvania Association of Nonprofit Organizations (PANO) and Bronze level members of Guidestar.

Last year, we raised over \$20,000 from various businesses and veteran service organizations. In addition, we raised \$3,500 dollars from our 1st Annual Handgun Blockshoot and this year, we hope to raise over \$7,000 on June 9, 2018 at the Jim Thorpe Sportman's Club in Jim Thorpe, PA. Anyone interested in being a business sponsor contact Ryan Bowman at rbowman430@gmail.com.

Currently, one of our campers is being updated to fit the needs of our veterans during our fishing, hunting and camping trips. Our programs in 2018, will cost \$47,000 and we need your help to make this happen.
